Play a big part, be a star!

Volunteers are a vital part of Virginia Stage Company, southeastern Virginia's only professional theatre. The Virginia Stage Associates provides volunteer support to Virginia Stage Company in many ways. There are creative outlets for everyone who enjoys live theatre. A few examples:

- ⇒ We have a fun, informal potluck meal for the actors of each play to welcome them to Hampton Roads.
- ⇒ We prepare matinee meals between Saturday performances to serve the cast and crew.
- ⇒ We have regular Associates parties held at the beautiful Wells Theatre. At the parties we often are privileged to see the sets under construction, gaining fascinating staging information.
- ⇒ We usher for performances, mingle with other theatre-lovers and see the show!

We share a commitment with the staff, artists and Virginia Stage Company Board of Trustees to provide the best in professional theatre. We are not actors, but through our volunteer support we help create the special things that happen at VSC.

We invite you to join in the fun!
